

SHORE EXCURSIONS

JUNEAU, ALASKA

ALASKA SLED DOGS & MUSHER'S CAMP

\$188.99 / Adult

\$188.99 / Child

Location: Juneau, Alaska

Duration: 2 1/4 Hours

Activity: Moderate

OVERVIEW: Experience a true Alaskan adventure while partaking in the official state sport. Take a sled ride through the lush rainforest, play with husky puppies, and learn about this unique element of Alaska's culture. You'll join in the summer training of an expert team of sled dogs when you ride a custom-designed wheeled summertime sled. Then a dog handler will share knowledge about the equipment, dog care, training, and efforts required by this sport. You'll also get a chance to enjoy the scenery that lured you to Alaska as you walk across a suspension bridge overlooking Fish Creek. Finally, cuddle up and help socialize the adorable little huskies.

MOUNT ROBERTS TRAMWAY

\$45.99 / Adult

\$26.99 / Child

Location: Juneau, Alaska

Duration: Unlimited Hours

Activity: Mild

OVERVIEW: Board a tramcar for an exhilarating ride that takes you 1,800 feet up into the Alaskan rainforest. As you ascend, enjoy breathtaking views of the Chilkat Mountains, Stephens Passage, Douglas Island, and Silver Bow Basin, where gold was discovered in 1880. At the summit, you'll visit the Mountain House, explore the Nature Center, and look out for bears and other wildlife that feed on the slopes of Mount Roberts. Enjoy this unique only-in-Alaska experience.

MENDENHALL GLACIER & SALMON HATCHERY

\$55.99 / Adult

\$26.99 / Child

Location: Juneau, Alaska

Duration: 2 1/2 Hours

Activity: Mild

OVERVIEW: Embark on a narrated tour that takes you to a salmon hatchery and showcases the legendary Mendenhall Glacier. Begin with a drive through Juneau, where you'll hear tales of the town's raucous Gold Rush days. Your first stop is the DIPAC Salmon Hatchery, where each year they produce over 150 million salmon. Go

SHORE EXCURSIONS

behind the scenes on a tour that shows you how experts collect and incubate eggs to keep Alaska's fisheries thriving. Afterwards, head to the legendary Mendenhall Glacier, spanning 1.5 miles in width. Take in postcard-perfect views from the Visitor Center and marvel at displays that detail the geology of this natural wonder. Feel free to ask questions from the onsite experts, before following well-marked trails for a closer look. Stand before this frozen force of nature and marvel at the majestic beauty found only in Alaska.
