HILO, BIG ISLAND

Volcanoes National Park

\$179.00 / Adult

Departure Time: 8:00 am or 1:00 pm

Duration: 4 ½ Hours

Activity Level: Easy

DETAILS

Spectacular volcanoes, craters and steam vents are waiting to be explored at Hawaii Volcanoes National Park that has recently reopened after a period of tumultuous volcanic activity. The landscape of Volcanoes Park has dramatically changed as the floor of the Kilauea crater sunk over 1,500 feet and the overall caldera quadrupled in size and widened by over a square mile.

The highlights of this exciting tour include approximately half hour visits at each of the following destinations in Hawaii Volcanoes National Park while riding to each stop in comfort on a deluxe motor coach. Walk through the Kilauea Visitors Center to receive information on the Park's current conditions, view educational exhibits and interact with park rangers. Then you'll be engulfed in rising steam as ground water seeps down to the hot volcanic rocks at the Steam Vents. The area between

the edge of Kilauea's caldera and the outer cliffs are treeless because the extreme heat destroys their roots; only shallow-rooted grasses and other hearty plants survive here. Unforgettable views for miles are offered from the Jagger Museum Overlook. Kilauea's massive size and scale is realized from this vantage point and Halemau'uma'u Crater and Mauna Loa are seen in the distance. On your return to the pier, stop and experience Hawaii's Mauna Loa Macadamia Nut Visitor Center. Award winning Mauna Loa has over 30-year history of perfecting one of the most delicious Macadamia Nut in the world. The Volcanoes National Park Tour is not to be missed and includes round-trip transportation from the pier by deluxe motorcoach.

- Involves walking over terrain, some cobblestone, gravel, or a few steps.
- Comfortable shoes are recommended.

There, you will see a temple where criminals could be absolved of their transgressions and safely return to society. To complement the experience, you will visit the 19th-century Painted Church. Its interior features frescoes and murals of biblical scenes that a Belgian priest painted to teach the islanders Catholicism. The missionaries were also instrumental in dismantling the harsh kapu laws. It is an excellent setting to enjoy a cup of fresh-brewed Kona coffee.
