## Carnival Horizon

The Carnival Horizon is a vibrant ship with spectacular ocean views and exciting attractions. As the sister ship to Carnival Vista, guests will find similarities between the two, but the Horizon provides a unique experience to all who step onboard. The adventure-seeker can conquer the SkyRide, a bike course that reaches high above the deck and provides excellent viewing opportunities. Other onboard activities include a basketball course, mini-golf, and a ropes course found in the sports area. Guests looking for a bit more relaxation can grab a drink at the Havana Bar or catch a show in the IMAX Theater to experience the 3D effect and impressive visuals. The Cloud 9 Spa also provides many options for a little pampering and relaxation after a full day of adventure in port. Plenty of dining options are available onboard as well, including Bonsai Sushi, Fahrenheit 555 Steakhouse, Cucina del Capitano, and many more. Guests will find Carnival's classic accommodations onboard, but the Horizon also offers Havana suites featuring a unique Cuban flair, as well as Cloud 9 Spa staterooms and suites that include exclusive amenities. The ship has much to offer with its dynamic spaces, innovative dining options, and unlimited opportunities for family-friendly fun.
