

SHIP

Celebrity **EDGE**

Celebrity Edge is the first in a class of revolutionary ships designed to raise the bar on cruise vacations. The ship's unique outward facing design allows guests to feel more immersed in each journey, and more connected to the sea around them. The re-imagined terrace pool deck provides travelers more spectacular views as the ship sails between ports and destinations, and the Resort Deck offers a Rooftop Garden with an urban "playscape" that is unlike any other outdoor space at sea. Relax in the outward facing asymmetrical pool or have a picnic while watching a movie in the garden. The Magic Carpet, located on the starboard side of the ship, features a full bar with space for live music and plenty of comfortable seating. It has access from several decks and each provides a different experience from Dinner on the Edge to a luxury embarkation station with sea-level views. Guests can relax in the Solarium after a full day in port by grabbing a drink from the Spa Café & Juice Bar and lounging in the adult only pool.
