

# SHIP

Aboard Disney Wish, magical worlds and cherished stories from Disney, Marvel, Star Wars and Pixar are brought to life like never before. Deck parties, live shows, a water rollercoaster and lazy river at sea, first-run movies and even greetings from your favorite Disney characters await you onboard. From toddlers to teens, every kid has their own unique area based on their age. A different activity for every age group means that no child or teen will ever be bored. Plus, there are retreats just for adults, such as the Star Wars Hyperspace Lounge which offers signature cocktails and interactive tasting experiences. When it's time to grab a bite to eat, Disney's one-of-a-kind rotational dining means you'll get a unique dining experience every single night of your cruise. Back in your stateroom, the tradition of Disney storytelling can be found inside all staterooms on the Disney Wish, thanks to artwork that celebrates iconic elements of Disney films—from magic castles to enchanted woodlands to the spirit of the sea.
