

SHIP

Odyssey of the Seas

Come aboard the Odyssey of the Seas and experience gravity-defying, teched-out thrills. This ship offers Royal Caribbean favorites such as the North Star and RipCord by iFLY and includes new favorites waiting to be discovered. As the first of the Quantum Ultra Class ships, Odyssey of the Seas features newly designed staterooms including more family-friendly modular options and virtual balconies. Catch a movie on the 220-foot outdoor poolside screen or drop the kids off at Adventure Ocean and slip away to the adults-only Solarium pool retreat. For days at sea, passengers can take a turn on the FlowRider, a surf simulator, or head to the SeaPlex for bumper cars, roller skating, and more. After a bite to eat in one of the ship's specialty restaurants, guests can relax and grab a drink with friends or head over to Two70, a nighttime aerial show venue. At the end of the day, comfort awaits in staterooms ranging from quaint interior to luxurious balcony suites.
