

SHIP

Inspired by the architecture of the Capitol Building and White House, Pride of America's grand atrium features a stunning glass dome that is at the heart of this U.S. flagged vessel. This ship cruises Hawaii year-round so you can vacation on your own schedule. The diversity of America is shown with the variety of dining options on the ship. Jefferson's Bistro offers exquisite French cuisine, La Cucina delivers the flavors of the Tuscan countryside, and the churrascaria allows passengers to experience an authentic Brazilian steakhouse. Hang out in the bars and lounges at night, or head over to the family friendly Hollywood Theater to enjoy Broadway and Vegas style shows. Interconnecting family suites cater to families and groups traveling together, and children enjoy activities, a recreation center, pool, and cafe all their own. Another unique feature of the ship is outdoor chess, a giant chessboard which is perfect for meeting other passengers. When you're ready to find a souvenir to take home, head over to Kai Clothing which houses a variety of fashion apparel and accessories designed and made in Hawaii.
