

SHORE EXCURSIONS

BONAIRE

TUK TUK ECO CITY TOUR

\$44.99 / Adult

\$34.99 / Child

Departure Time: 8:45 AM, 10:00 AM, 11:15 AM,
12:30 PM, 1:45 PM

Duration: 1 Hour

Activity Level: Easy

DETAILS:

Tuk Tuk Cars: These fun and open-air rides run totally silent as they are customized with an electric emission-free and environmentally friendly motor.

Kralendijk: Drive through the colorful capital with your tour guide and pass historic landmarks, monuments, and picturesque scenery.

Fort Orange: Stop at the small 1639 fortress, the oldest stone building on the island, built in the Dutch West India style with four impressive cannons that defend the fort against attacks from the sea.

Divi Flamingo Resort: Drive along the coast to the first built hotel on the island and enjoy narrated information. The building was used during World War II to house interned German prisoners then converted into Bonaire's first hotel.

Kaya Grandi: Pass by the colorful main shopping street with stores and places of interest as well beautiful preserved historic buildings.

St. Bernard Catholic Church: Stop at the biggest Catholic church, built in 1948, located in the center of Kralendijk.

Captain Don Stewart: Stop at the statue of Captain Don, the Father of Bonaire, as your guide shares the history of this dive pioneer who made Bonaire's underwater world internationally famous.

Malecón: Drive along the ocean boulevard, also named Malecón, with several stops at the flip-flop tree, fishermen's pier, the million-dollar bar and historic oceanfront houses.

NOTES:

Accessibility: Tour is ambulatory accessible. Wheelchair and walker can be stored at the pier.

What to Bring: Hat, camera and wear comfortable clothing and shoes.

Good to Know: All open-air rides feature a sunroof.

SHORE EXCURSIONS

BONAIRE BY HARLEY DAVIDSON

\$199.99 / Bike
Departure Time: 10:00AM
Duration: 3 ½ Hours
Activity Level: Moderate

DETAILS:

Tourist Road: Leaving Kralendijk, Bonaire’s capital behind, the guided tour leads you to the tourist road along the North Coast. Take in the stunning views of the clear blue ocean and Klein Bonaire while following the curved road through the hills.

1000 Steps (Pass By): Drive by the dive site, “1000 Steps”, and enjoy the view towards the uninhabited island of Klein Bonaire. Though there are only 67 steps, it might feel like a thousand (especially for scuba divers carrying gear), which would explain the name.

Landhuis Karpata: Pass by Plantation Karpata, an important commercial center in the past, built after 1868. Besides raising goats for skins and meat, the plantation also produced aloe, charcoal, and dyewood.

Goto Lake: Stop at Gotomeer, a saltwater lagoon connected to the ocean in the north of the island, also known as one of the best places to see flamingos. Riding around the lake offers beautiful scenery.

Rincon Village: We will take a break at Bonaire’s oldest village, Rincon. It is the cultural center of the island that is situated in an inland valley. Stretch your legs and hangout with the other riders while you cool down. You will have the opportunity to purchase some refreshments.

White Historical Huts: Drive further to the huts and stop to learn about their history. These tiny coral stone huts were built in 1850 and provided shelter for the those working in the salt pans.

Bonaire Salt Pyramids: Pass by one of the most notable features that greet arriving visitors to Bonaire, a distinctive line of white salt pyramids at the southeastern end of the island. Each pyramid, roughly 50-ft. high, contains approximately 10,000 metric tons of 99.6% pure salt.

What’s Included:

- Helmet.

NOTES:

Requirements & Restrictions: Riders minimum age – 25 years and must present a valid motorcycle license. For safety reasons, pregnant women and guests with back or neck injuries may not participate on this excursion. Appropriate attire must be worn, including long trousers or jeans and flat, closed-toe shoes. Shorts are not permitted.

What to Bring: Either MasterCard or Visa credit card for insurance formalities.

SHORE EXCURSIONS

Good to Know: Helmets are mandatory to wear, and guests must sign a collision damage waiver with a \$1,000 deductible. A one-on-one safety and technical check will take place before taking off on the tour. The price of this tour is per bike, so if you're wishing to take an additional passenger (minimum age – 18 years), only one ticket needs to be purchased. The choice of bike model is subject to availability.

ECO TOUR AT LAC BAY NATIONAL PARK

\$74.99 / Person

Departure Time: 9:30 AM, 11:30 AM, 1:30 PM

Duration: 2 Hours

Activity Level: Easy

DETAILS:

Stop Nearby Mangrove Forest: Join your guide for a ride to Lac Bay National Park. Look out for flamingos! It's very common to see them wading in the shallow waters of the mangrove forest

Lac Bay National Park: Home to three distinct species of mangrove trees and one of the Caribbean's best-preserved mangrove forests, Lac Bay National Park, boasts one of the island's only sandy beaches. The wild sea grass that grows here is an important habitat for queen conchs, rays, seahorses, and lobsters. The area is home to wetland birds, wildlife grazing at watering holes and pink flamingos.

Mangrove Eco Tour by Skiff: Embark on a skiff tour among the mangroves of Lac Bay National Park, by solar powered boat, guided by a well-trained naturalist. Visitors can learn about the mangroves, one of the most unknown and most endangered environments on our planet. The tour takes you inside the labyrinth of mangrove trees for a truly amazing and educational experience.

What's Included:

- Complimentary water or juice.

NOTES:

Requirements & Restrictions: Minimum age – 6 years. For safety reasons, pregnant women, and guests with back or neck injuries, high blood pressure or heart conditions may not participate on this excursion.

What to Bring: Beach towel and wear comfortable clothing; shoes that can get wet.

Good to Know: Lac Bay National Park is a wetland site designated to be of international importance under the Ramsar Convention. Boat embarkation area can be wet, muddy, and slippery. Due to the national park protection laws, the boat is not allowed to dock. You will be stepping directly onto the boat from approximately 8 in. of

SHORE EXCURSIONS

shallow water. Off-road portion of transfer can be bumpy. We suggest you apply bug repellent before start of the tour.

BUBBLE TOUR: GLASS BOTTOM BOAT

\$54.99 / Adult

\$44.99 / Child

Departure Time: 8:45 AM, 10:15 AM, 11:45 AM

Duration: 1 ¼ Hours

Activity Level: Easy

DETAILS:

The Glass Bottom Boat: Enjoy the breeze as you cruise from the shaded comfort of a 32 ft. glass-bottomed boat with large glass panels, allowing everyone to observe and have a shared, fun exploration.

Cruising: Glide to the uninhabited and unspoiled island of Klein Bonaire, established in 1979 and the oldest marine reserve in the world. It's home to one of the best preserved and protected reefs. You'll encounter a unique variety of marine life through the crystal-clear glass-viewing panel.

Guided Tour: The tour is narrated by your guide as you go to the Bonaire National Marine Park learning all about the marine life and corals. You'll have stunning views of the white sandy beach along the small island of Klein Bonaire.

NOTES:

Accessibility: Tour is ambulatory accessible. Guests must be able to take four steps down to enter the boat. Wheelchair and walker can be stored at the pier.

What to Bring: Hat, camera and wear comfortable clothing and shoes.

Good to Know: Marine life sightings, while common, are not guaranteed.

BEST OF BONAIRE

\$64.99 / Adult

\$54.99 / Child

Departure Time: 8:30 AM, 12:30 PM

Duration: 3 ½ Hours

Activity Level: Easy

DETAILS:

Salt Flats & Salt Pyramids: Stop for a picture opportunity at these huge piles of crystals that create an "icy" unreal landscape. The white salt pyramids are must-see in Bonaire. You may spot the Caribbean pink flamingos, too!

SHORE EXCURSIONS

Scenic North Coast: Drive along the breathtaking northern coastline with famous dive and snorkel sites. Catch a glimpse of fossils embedded in the limestone, 1000 Steps viewpoint, Devil's Mouth rock formation, huge candelabra cacti, divi trees, diverse birds, and other wildlife species.

Former Aloe Plant Karpata: Slow down as you drive through Karpata, a former aloe plant, where you'll receive an explanation of aloe and the history of the plant.

Goto Lake: We will make a photo stop at Goto Lake, a saltwater lagoon in the north of the island that is known as a flamingo meeting place to spot pink flamingos.

Dos Pos Well & Viewpoint: Pass by Dos Pos, a drinking well for animals, on the way to Rincon Village and slow down at a viewing point for a beautiful overview of the countryside of the village.

Rincon Village: Hear ancient tales and history as you drive through Rincon Village, the oldest village in continual existence in the Dutch Caribbean, originally settled by the Spanish in the early 1500s.

Washington National Park: Stop at the Washington National Park and visit the natural history plantation museum and the open-air exhibit for a peak into Bonaire's heritage. Relax on the large, covered terrace where you can hear the birds and watch the lizards and iguanas.

Salt Flats: Head south for a photo opportunity at the salt ponds and flats. Learn how salt is produced today in Bonaire, and how it was mined in the 17th century.

Historical Huts: Visit the original huts used as shelters by the workers. Following your visit, reboard your motor coach and start the short drive back to the pier via the scenic coast.

What's Included:

- Bottle of water.
- Entrance fee to Washington National Park Visitor center.

NOTES:

What to Bring: Comfortable clothing and shoes and cash or credit/debit for purchases.

COAST TO COAST BONAIRE BY LAND ROVER

\$74.99 / Adult

\$69.99 / Child

Departure Time: 9:45 AM, 1:15 PM

Duration: 2 ½ Hours

Activity Level: Moderate

DETAILS:

Washikemba Area: After leaving civilization behind, your driver will take you in a Land Rover to the East Coast to explore the area of Washikemba. Here you will see giant

SHORE EXCURSIONS

rocks and cacti making a wild-west desert like impression and beautiful waves crashing on the coastline.

Lac Bay National Park: Passing by the mangrove forest, which is located in the Lac Bay National Park, you'll enjoy the change in scenery. Venture through the lush green mangrove trees and shallow waters while looking out for wild donkeys, goats and even the famous pink flamingos.

Sorobon Lagoon: The shallow blue lagoon offers you the opportunity to see windsurfers and spot frigate birds.

Exploring South Coast: Your journey continues along the paved South Coast. On the left, giant waves crash into the coastline and on the right, see the old salt pyramids. Within this area is the protected Flamingo Reserve, a nesting ground for the largest Caribbean flamingo colony.

Willemstoren Lighthouse: Pass by Bonaire's oldest lighthouse, constructed in 1837 and still in good working order.

Red & White Historical Huts: Stop by the white historical huts to explore these tiny structures, built back in 1850 to serve as facilities for those working in the salt ponds. Your guide will teach you the history about these small houses, the landmark obelisks and old salt pyramids.

Salt Pans & Salt Pyramids: A stunning contrast between the Caribbean Sea on one side, the beautiful pink salt pans on the other and the impressive "snowy" white drifts of salt. During a short stop, your guide will explain all about how salt is produced works and why the water is pink.

NOTES:

Requirements & Restrictions: Minimum age – 8 years. For safety reasons, pregnant women, and guests with back or neck injuries, high blood pressure or heart conditions may not participate on this excursion.

What to Bring: Wear comfortable clothing and shoes.

Good to Know: Lac Bay National Park is a wetland site designated to be of international importance under the Ramsar Convention. Tour sequence may vary. The 4WD vehicle features a sunroof and open sides (there is no air-conditioning). Depending on rainfall, the dirt roads can be dusty or muddy. There is a restroom and refreshment (for purchase) stop at Sorobon. While common, wildlife sightings are not guaranteed.

SHORE EXCURSIONS

EAST COAST OFF-ROAD ATV EXPERIENCE

\$99.99 / Person

Departure Time: 10:30 AM, 12:30 PM

Duration: 2 ½ Hours

Activity Level: Moderate

DETAILS:

Exciting Off-Road Experience: Prepare to discover the wild side of Bonaire on this exciting off-road adventure by ATV (all-terrain vehicle).

Washikemba Reservoir: Head off to the East Coast of Bonaire and experience the rugged terrain of Bolivia/Washikemba Reservoir. Drive through the reservoir, spotting wild donkeys and massive iguanas, along some of the most picturesque coastal roads on the island.

Spelonk Lighthouse: Enjoy a stop at the Spelonk Lighthouse, the easternmost point of Bonaire, offering spectacular, panoramic views of the ocean and unspoiled East Coast.

East Coast: Drive along the “wild” East Coast between limestone rocks and giant cacti while ocean waves crash and spray the coastline.

Caves & Karst Nature Reserve: The adventure continues to one of Bonaire’s many caves, which are home to the Bonairean bat species. Your tour guide will lead you into the cave, between the stalactites and stalagmites and explain various rock paintings the Arawak Tribe left behind.

What’s Included:

- Complimentary water or soft drink.
- Helmet.

NOTES:

Requirements & Restrictions: Minimum age – 18 years. Maximum weight – 265 lbs. Drivers must present a valid driver’s license. For safety reasons, pregnant women, and guests with hip, back or neck injuries, high blood pressure or heart conditions may not participate on this excursion. Appropriate attire must be worn, including long trousers or jeans and flat closed-toe shoes. Participants must listen to a safety briefing and perform simple maneuvers to demonstrate competence.

What to Bring: Sunscreen, sunglasses and a backpack-style bag are recommended.

Good to Know: The sequence of stops may vary by tour. The price of this tour is for one bike, per person.
