

# SHIP

Royal Caribbean sails to some of the most popular cities and destinations across the globe. Its growing fleet of innovative, stylish ships is relaxed, elegant and upscale with a broad appeal that attracts everyone from honeymooners to families to couples celebrating golden anniversaries.

The first to install a rock wall on every ship in its fleet, Royal Caribbean International emphasizes new experiences. Each ship is jam-packed with fun activities, restaurants, bars and lounges, shopping, entertainment and sports and spa facilities guaranteed to make each guest's vacation unforgettable. Kids ages 3 to 17 will enjoy Royal Caribbean's Adventure Ocean youth program and teen facilities, which feature age-appropriate activities and amenities in a kid-friendly environment.

On land, Royal Caribbean delivers unique adventure tours and guided excursions that satisfy all types of travelers. Swim with stingrays in the Caribbean, hike through glacial waterfalls in Alaska or see the view atop the Rock of Gibraltar. If you choose, combine your cruise vacation with a land tour on a Royal Caribbean cruise tour.
